Chemical & Microbiological Analysis																														
Parameters	Unit	Limits																												
Mositure	%	78.76%																												
Free Fatty Acis	%	Nil																												
Peroxide Value	%	Nil																												
Total Soluble Solids	%	21.30%																												
Brix		21.3																												
Total Aflatoxins		1.14 ppb																												
(B1 , B2, G1, G2)																														
Sensory Parameters																														
Appearance		Textured semi liquid paste with typical ginger color																												
Smell		A homogeneous and event textured fine blend of ginger																												
Taste		Characteristics ginger flavor (No stale odor)																												
Color		Characteristics ginger color with fresh look. (No blackish spots)																												
Labeling Requirements																														
Mandatory		Packing Date, Best Before Date & Batch Number. All the labeling is as per prescribed Pakistan Pure Food Laws/ The Punjab Pure Food Rules 2011 & Consumer Protection Act.																												
Available Pack Sizes with Material																														
Pack Size		1KG PET JAR with Golden Cap	330gm PET JAR with Golden Cap																											
Master Carton		1kg X 6 Units Master Carton	330gm X 12 Units Master Carton
